As a diver, she won nine USA Junior National titles and was also a USA Team member for the 2000 Olympics in Sydney, Australia where she was a finalist in the Women's 3-Meter competition. Her success as an athlete is mirrored by her success as a coach. As a college coach, she has been named the conference coach of the year multiple times while at FAU. As a club coach, she has led multiple divers to successful performances at the national level of competition.

Co-head coach, Matthew Vieke, has been coaching alongside Michelle for 5 years. Vieke was a competitive diver for over 10 years finishing his career at LSU in Baton Rouge, a NCAA division one athletic university. Since they have joined forces as coaches, their divers have reached the finals at the USA Junior Nationals a collective 40 times, secured 18 AAU National Titles, received multiple athletic scholarships to Division one colleges, and have had multiple divers final at the USA Senior National level.
